Application forms and contact details for the coordinators of each of the specific classes will be available from outside the school office this week.

The Junior School does NOT accept responsibility for the collection of children from the above classes. Therefore, if you are going to be late collecting your daughter from any of these activities, it is THAT teacher you will need to contact. All children will leave by the main school door.

- Music: • Piano with Mr Joe O'Reilly
 • Percussion and Wind with Ms. Michelle Le May
 • Violin with Ms. Enid Coughlan

These music classes usually take place during the course of the school day and the student may miss contact teaching time. Further individual music classes and application forms will be available from the school office later this week.

With every good wish,

Tracy Hogan
Principal
